## We have what it takes to Elevate the Restroom

The challenges of the past year have heightened concerns about cleanliness, particularly outside the home, which is why the restroom needs to be as hygienic as possible.

## Put your trust in our world-class restroom brands

Today, hygiene and cleanliness are more important than ever. That's why it's essential that your restrooms meet the highest standards, especially when you consider that few locations impact satisfaction as much as the restroom.

### Consider these survey findings<sup>3</sup>

83% said restroom conditions reflected **how much a company cares** about employees and guests

74% said if the **restroom is not clean**, the rest of the facility must not be either

84% said **familiar brands** signal a **clean and hygienic** environment

The good news: There's a lot you can do to **elevate your restrooms** — starting with innovative and hygienic solutions from our consumer-preferred, trusted brands: **Scott**®, **Kleenex**® and **Cottonelle**®.

### A simplified approach

Whether it's touchless dispensing, smart restroom management or high-quality towel, tissue and skincare products, we have what you need to make your restrooms shine. We bring unique value to your restroom because our systems allow for flexibility and choice in any environment. We offer three distinct product quality tiers, making it easier than ever to choose the right solutions for your facility.

## Our research<sup>1</sup> has shown that:

Cleanliness equals reassurance — 65% of consumers said a clean appearance inspires confidence in facility hygiene.

Hand hygiene is paramount — 94% said they wash or sanitize hands more now than before the pandemic.

People prefer touchless — Nearly 9 in 10 said they view touchless systems as very important restroom amenities.

Empty dispensers spell trouble — 50% said restroom run-outs would have a major impact on cleanliness perceptions.

Single-use products have the edge — people favor disposable products over reusables for cleaning both hands and surfaces.

How can you address these issues and ensure restroom cleanliness? Through trusted brands and hygienic solutions that Elevate the Restroom.

## Low Wet Strength Folded Towels

If plumbing issues are a concern, choose these low wet strength towels for your restroom. The transportation industry (airlines, railcar and cruise lines) trusts these towel options when flush risk is a top concern.

## Frequently Asked Questions

- 1. What dispensers are covered by the Kimberly-Clark Professional Lifetime Warranty?**  
Dispenser eligibility is indicated in the individual listings.
- 2. Do I have to order new dispensers to qualify?**  
No. To make the program as simple as possible, both new and existing dispensers qualify.
- 3. How do I register my dispensers?**  
There's no need to sign up. Eligible dispensers are automatically registered. Use Kleenex®, Scott® and Cottonelle® Brand towel, tissue and skin care products in the dispensers.
- 4. What does the warranty cover?**  
The warranty covers defects in workmanship and materials under normal use as long as you are exclusively using Kimberly-Clark Professional products for the dispensers. However, the warranty does not cover batteries or misuse, vandalism and/or other user-caused damage.
- 5. Is it easy to file a claim?**  
We've made it as easy as can be. Simply contact your Kimberly-Clark Professional representative or Customer Care Solutions at 1-888-346-4652 or [KCPIInfo@kcc.com](mailto:KCPIInfo@kcc.com). Or, file online at [www.KCProfessional.com/contact-us/](http://www.KCProfessional.com/contact-us/).
- 6. What details do you need to process my claim?**  
Our team will need your contact information, the Kimberly-Clark Professional product numbers you use and the dispenser information (model number, lot code number and date code – all found on a sticker inside the unit). They'll work with you to determine the best way to resolve your issue, either through parts or full unit replacement.
- 7. Since I order dispensers through my distributor, do I need to contact them?**  
No, you can contact your Kimberly-Clark Professional representative or Customer Care Solutions directly at 1-888-346-4652 or [KCPIInfo@kcc.com](mailto:KCPIInfo@kcc.com).
- 8. Do I have to ship the dispenser back?**  
Once the issue is resolved, we may ask you send us the old dispenser. If so, we'll provide a prepaid shipping label. Rest assured, we'll make sure you have a working dispenser before asking you to take the old one down. It's that EASY!
